Brass Padlock Series

Distinctive, Elegant

BRASS PADLOCK (HEAVY DUTY)

- Solid brass lock body, waterproof, super brass polishing or brass wire drawing finishing
- 30mm above steel shackle can be hardened, stainless steel shackle can be choosing
- Brass pins in brass cylinder, high strength, high accuracy, anti-rust, more durable
- Brass tongue more durable, 30mm above can choosing with 2 brass tongus double locking
- 3 secured nickel plated normal keys or cross keys or computer keys can be choosing
- Large range of key combinations, available with keyed alike or keyed different
- Available for outdoor environment
